

Thank you for signing up to receive our quarterly e-newsletters! Enjoy our spring edition and watch for our summer newsletter in July.

## **No Lilies for Kitties!**

It's that time of the year again when we begin to see a rise in lily poisonings. Easter and Mother's Day are two of the most dangerous holidays for cats. What's even more dangerous is that less than 30% of cat owners realize these common lilies are fatal!

Help spread the word to your clients and pet owners and help keep our feline friends safe this spring!

## Pet Poison Helpline World: Australia & New Zealand

Do you have friends or colleagues working in Australia or New Zealand? We are excited to announce our recent expansion into Australia and New Zealand! Over the past 15 years, Pet Poison Helpline has managed more than 1 million animal poisoning consultations. By expanding our network of services internationally, we will be able to accomplish our mission of saving pets' lives and making the world a safer place for animals on a much larger scale.
